

## Tournament Bulletin #2

Thursday, September 2, 2021

Good morning! We are just one day away from the start of the **888 TTC \$15K Butterfly/Xiom Labor Day Challenge** and excited to see you all in Burlingame!

### Admissions Policy – Parents, Coaches, and Guests

We have received very few requests for parents and coaches to be added to the list. **Please do so as soon as possible.** As a (friendly) reminder, this is a private event and admission will be limited to the player, one coach (per player), and one parent (per player for players under 18), but they must be on the list and comply with our COVID testing policies and procedures.

### COVID Policy

There has been several questions regarding our COVID policy, which can be found here: <https://888ttc.com/covid-policy/>

To be clear:

- Anyone entering the facility must wear a mask. Only players with proof of vaccination or an approved negative COVID-19 test within the prior 72-hour period may play at the tournament
- Only players that perform a rapid test at the start of the tournament may play without a mask. Other players, coaches, and parents must keep their mask on during the entire tournament.
- Rapid tests will be available on-site (at registration) for \$12. That is our direct cost. **If you want to play without a mask, you must take the test.** Please show up to registration early so that we have enough time to process the results.

Thank you for your understanding and cooperation to maintain a safe environment.

At the tournament, guests will not be permitted in the facility with the following exceptions:

- Players under the age of 18 may be accompanied by one parent or guardian.
- Players 18 and older may only be accompanied by a coach.
- Parents or coaches must comply with 888 TTC's vaccination and testing policies and must wear a mask at all times.
- Parents and coaches must email us at [tournaments@888ttc.com](mailto:tournaments@888ttc.com) with their full names prior to the start of the tournament in order to enter the facility

When checking in at the center, we will need ONE of the following:

- Proof of full vaccination
- Proof of an approved negative COVID test within the last 72 hours.
- 

Please maintain proper social distancing and work together to provide a safe environment for all!
